Dr. J. Scott Moore, President

*"Enhancing the world one child and one senior at a time, from start to finish."*

## **Biography**

Dr. J Scott Moore is a life changing spiritual leader, through his inspirational writing. He has authored many bestselling books along with his motivational speaking through the gospel. His goal is to move people beyond their self-imposed limitations.

Dr. Moore's Global impact transcends from Destiny Ministries TV church in Bessemer, Al WTTO and the United Nations in New York City. His world outreach has touched more than 250 million people and 145 countries and his platform of influence has been on the airwaves of Trinity Broadcast Network (TBN), The Word Channel, ICCM TV, Vision Heaven, and WTTO. Dr. Moore has hosted Praise the Lord and appeared many times as a guest of Paul and Jan Crouch. Dr. Moore and his wife Traci hosted Destiny Today which aired on The Church Channel and other networks four days a week for more than five years.

Dr. Moore has authored many books that has changed lives around the world including: Finding Your Place, Favor Epidemic, Here Today Gone Tomorrow, Healed and Revealed, Tip or Tithe, What Time is It, Who Cares, and What About Tomorrow.

Dr. Moore has been honored with many local and International awards. He was presented with the key to his home city in Bessemer, Al and was awarded Honorary State Governor and Honorary Lieutenant Governor. Also, Dr. Moore has served as State Chaplain where he leads prayer in The House of Representatives and State Senate. He is also an Ambassador to the United Nations and works with many U.S Senators and Congressmen. Dr. Moore has been called to work out many projects through his influence in the United Nations by Ted Kennedy and Dick Chaney and host of other leaders.

Dr. Moore is the founder and CEO of PROJECT ONE, INC. a non-profit 501c3 corporation and a member of the Economic and Social Council to the United Nations as a non-government organization (NGO) with special consultative status since 2003. He has spoken many times at the United Nations and has been the guest of General Secretary, Ban Ki-moon and serves on many United Nation Committees to support Millennium Goals.

PROJECT ONE, INC. organizes and facilitates hundreds of programs locally, nationally, and internationally to benefit humanitarian needs. It is the goal and aspiration of this organization to network a variety of public and private corporations into a conglomerate and plenary effort for the common purpose of the eradication of poverty, reduction of child mortality and better health care for all citizens of the world, to the child first.

United Nations involvement with PROJECT ONE, INC. includes: World Water Forum; NGO/DPI General Assembly Poverty Eradication Forum; Commission on Sustainable Development; NGO Committee on Youth World Health Organization; International Day for Elimination of Racial Discrimination; UN Day for Women's Rights and International Peace; Literacy Day of Older Persons; and Day of Eradication of Poverty United Nations Day.

Dr. Moore has pioneered the way to bring the Kingdom of God to the United Nations in New York, Geneva, and Vienna. He has started over 39 bible studies inside the United Nations and brought TBN and Smile Of a Child along with many other Heroes of Faith to the Ambassador's and Leaders of the world. Smile Of a Child now holds a seat as a NGO with ECOSOC Status because of Dr. Moore's vision and passion for the Kingdom of God. Additionally, Dr. Moore set the initial meetings between Dr. TL Lowery and Ban Ki-moon.

Dr. Moore received his BS degree in Business Administration from Lee University and a Master's of Divinity from Samford University. He also received his Doctor of Divinity from Buxton University in December of 2004 in New York City.

Dr. Moore and his wife Traci have been married 30 years and are the proud parents of one Daughter, Brittney; and have many sons and daughters in the Lord.

It is God who gives the ability to create, develop, and implement the extraordinary capabilities of Humanity and their Ingenuities into a diversified global planet that exalts the creator.
