Tools for Climate Finance Readiness: building capacity to support increased finance flows

An open exchange around insights and experiences with capacity building tools for improving climate finance readiness: approaches to supporting coherent national finance frameworks, effective and transparent spending structures, access to international climate finance and strengthening integrity.

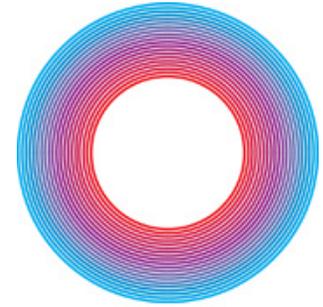

SPEAKERS

Yamil Bonduki (UNDP), Xing Fu-Bertaux (GIZ), Zakir Hussain Khan (TI Bangladesh), Belynda Petrie (OneWorld), Dennis Tänzler (adelphi)
Facilitator: Brice Böhmer (Transparency International)
