

Ensure that the HRTWS is included in the Declaration of the Post-2015 Development Agenda

SOCIAL MEDIA STRATEGY SHEET

Join us for a weeklong Twitter campaign (Monday 27 April- Friday 1 May)

Follow the campaign page on twitter: @HRtoH20

We will be tweeting throughout the week—re-tweet us as we go!

Campaign background:

United Nations Member States have explicitly recognized water and sanitation as a human right. [UNGA Resolution 64/292 The human right to water and sanitation](#) “Recognizes the right to safe and clean drinking water and sanitation as a human right that is essential for the full enjoyment of life and all human rights.”

We are campaigning to include the human right to water and sanitation in the Declaration of the Post-2015 Development Agenda. Engaging on social media will complement our advocacy via sign-on letters at the national and international levels.

Goal:

Send key messages targeted to Ambassadors, UN agencies, UN Missions, etc. that can influence the drafting of the Post-2015 political Declaration, asking them to explicitly name the human right to water and sanitation in the Declaration

Strategy:

Use the #DeclareHRTWS hashtag in your messages targeted at national and international players (at the UN level: @UN, @sustdev, @irishmissionUN, @UN_water; national level: your UN mission of your country) Sample twitter messages and key handles are listed below.

We invite you to join us in targeting these key players every day of next week (April 27-May 1) along with tweeting at your national missions every day:
