REPORT INTERNATIONAL DAY OF PEACE IN BAMENDA-CAMEROON

The international Day of Peace in Bamenda, Cameroon was celebrated through a Tree Planting Party with students from two secondary schools respectively Government Bilingual High School (GBHS) Down-Town and Government Technical School (GTC) Bamendankwe. The trees were offered to us by the Regional Delegation of Forestry and Wildlife. The 100 trees were of three different categories which included Cyprus, Podocarpus and Jacaranda. We planted them in schools campus around strategic areas proposed by the schools administration. We took four hours to complete the tree planting exercise with full respect of the 1 minute of silent recommended by the UN Secretary General.
