Subject: A letter of Appreciation

From the 06th of January to the 25th of February 2018, you organized a football and handball tournament at the Buea Central Prison for the benefit of inmates. To commemorate this grand event you lighted up the spirit of inmates with concerts from reknown artists such as Daphne, Blaise B, Ambe, Panchap, Askia and others.

The above endeavours, fall in line with government policy which is the rehabilitation and preparation of inmates towards social reinsertion, through sociocultural and leisure activities.

To this effect, on behalf of the inmates and management of the Buea Central Prison, I expres sincere gratitude and wish that this is only a beginning of a long partnership between the Buea Central Prison and Prisoners Support Cameroon. May God continue to bless you in your endeavours.
