ICT SCH, 4 LIFE PROJECT, 2014

We provide free ICT education to school children after close from school, to prepare them for the future

We partner to celebrate and bring holistic health care services to the poor

Scene of meetings, public health outreaches to mark the Africa Patient Solidarity Day, 30th October, 2013

AFRICA PATIENT SOLIDARITY DAY 2013

“PRESIDENTIAL YOUTH DIALOGUE 2014”

We represent and make case for the poor by bringing their issues to the attention of the authorities at the least chance. Our organization was at the presidential youth dialogue 2014 where we made case for youth development a priority.

Participate and contributes immensely to all the reforms taking place to make mother Ghana a better place

OUR COMMUNITIES CLIMATE CHANGE DIALOGUE PROJECT

Climate change is real and so engaging communities to fashion out better ways of dealing with emerging issues is crucial to mitigating it's affecting. Our flagship project is a living testimony to that effect.

GLOBAL HANDWASHING DAY 15th October, 2014

Good sanitation goes beyond talking, we also demonstrate the best way of practicing it to the fullest, thus, global hand washing day is always celebrated by our organization every year.

KICK MALARIA AWAY 2013

We reach out to the unreached on the streets and where ever they are found with decisive and correct information on relevant issues on health among others

we join collectively to mobilize for change bringing critical environmental issues to bear at the public domain to influence lasting change. Scene of the world environmental day held at the TEMA STATION here in Accra

STOP TB CAMPAIGN 2014

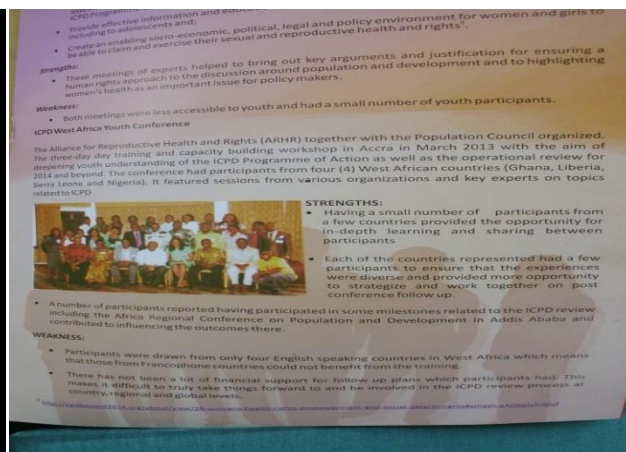

Reaching out to them and knowing their concerns is the surest ways of advocating and getting the messages right and fight for a good cause, our work is a true reflection of the realities on the ground.

Scene of Mr. Kwashie making a point during the discussion on relevant pillars to secure youth effective participation on environment.

SRHR PLATFORM, KPO, INNEC SRHP AND KPO, GHWA CAMPAIGN

INFORMATION 4 TRANSFORMATION SERIES

Our works have been featured in many publications across the world which emphasis the need for our works to be supported at all cost

We utilize every platform to address the issues and ensure that positive response emerge out of it

We inform the public to make informed fruitful choice

We go to the street to find out their concerns and plan well ahead of time to meet their needs

YES, we were part of the success stories of 2013 and are proud of it
