INTRODUCTION.

After God putting a burden in our hearts of helping the vulnerable children we got time to pray so as God to help to work this project that God had put in our hearts another thing we asked God to open doors hearts of churches big organisation individuals who have got Passion of helping children and giving the chance of changing their are Critical lives We are ready to work with you in honest, I love and care for the children for those who have got helping hearts this is the right time to tell you the kinds of children that this project is helping and these are in four categories including

1. ORPHANS.

have none of the parents and this children face this problem of sleeping under water channels poor feeding, lack of education, tropical diseases and also lack of parental love they also have no hope of a living so they need help that will give them hope for the future.

2. SINGLE PARENTED CHILDREN. This child also didn't get a chance of being raised with two parents and also the remaining one is in a critical condition this child also needs to be helped in his /her daily life to also have a chance that has never been given by his or her official parent.

3. NEEDY CHILDREN.

These are children living with their biological parents but in a poor life they also need help like any other child.

4. LEGITIMATE CHILDREN.

These children the apparent faces problems in the society and in the traditional African culture are not accepted and this child's parent can

WORLDVIEW MISSION

also get married and this child is left with the family to be raised by the the parents in the family then this child grows with fear and to be denied in the society so that is to say these children need to be given to be shown mercy and to be their parents also with giving them the chance that they have never seen

For those who are ready to work with us the doors are opened for that you are also welcome.

God bless, Denis Ruhorimbere, Shechem Global ministries

About the flyer:

Dear missions Director, Greetings

This is information you are asked us Through your text message in Facebook

We believe you will Considering for support our project. Information below

The Shechem Global Ministries

Project summary information: Orphanage started mid February in 2019, at Zana along Entebbe Road in Kampala Uganda.

The purpose of starting this orphanage was due to big burden we had for long time to assist vulnerable children namely: orphans and even street children who don't know if they have parents or not. We need also to assist children from poorest families starving with famine who can never afford fees for their education or to access to health care.

BASIC NEEDS FOR CHILDREN:

- To have food and drinks
- To have access to education

WORLDVIEW MISSION

- To access to health facilities
- To have clothes
- To have shelter to stay in. etc.

ORPHANAGE CHALLENGES:

- Financial means
- Accommodations for orphans
- Different primary needs among orphans girls and boys.

OUR FUTURE VISION :

- To build Orphanage Children Center
- Provide hope to every vulnerable child within this orphanage center
- To make every child in our orphanage center feel equal to any other child that have parents who do provide for their needs
- To assure every child in this orphanage have a successful and bright future.

OUR REQUESTS:

- To ask people to donate for this project
- To ask our sponsors to play also a role of advocacy toward different good Samaritans
- To stand with us in every step we make.

THANKS :

We are very thankful to every one who have done something great or small in order to enable us to run this charity work.

We pray that God may do much things within your families.

Thanks you for everything , God bless you,, Humbly Yours

WORLDVIEW MISSION

If it is possible for starting assist our project also I know you are connected for different Donors there in Netherlands and different Countries Worldwide you can connect us and Advocate us it will be blessings for our Orphanage children project.

It will be a blessing for us to Partner with Global ministries Board with support for our projects in Uganda I would inform you that last week I Visited refugees Camps in South West in Uganda where is 38 Thousands refugees from Eastern Congo, Burundi, and Rwanda.

I was hosted churches into this Camp so After Preaching Gospel visited different families in this Camp but my heart was very shocked after seeing their families struggling with where sleep no metres with kids many ladies and kids need clothes, and children suffering of from Nutrition so they need assistance and support where is possible

They told me that if could get suger of their children it will help many families in this Refugees Camp. One Cloth of a lady is 20\$ they need beddings because them selves and their kids do sleep on the floor so this is the right time where the need our help and support and also financially so as to brighten their coming days so the reason why I have called for your support it is because I know that you have helping heart and have a Baden of helping these people as you do in other countries world wide

God bless you all
