WHO IS WORLDVIEW MISSION (WM)?

WM is a registered NGO and a member of United Nations CSO-NET. WM as a global organization is connected to the UN and affiliated with a multitude of organizations in the world aiming to end the poverty and complies with the statement of the United Nations.

OUR STORY AND MISSION

WM was instigated with a philosophy to support and collaborate with the humanitarian agencies. We are on a mission to break the cycle of poverty in low economic communities by educating and preparing the

youths to become leaders in their community and eventually extend their cause on a global level. Programs of Worldview Mission are directed to enhance self-direction, self-determination and self-regulation of our youth as opposed to just giving them a handout.

Our vision statement is *"To improve the quality of life for the people living in poverty, helping them to become self-sufficient and to facilitate global effort in meeting UN's sustainable developmental goals."*

THE FOUNDER OF WORLDVIEW MISSION (WM)

WM was founded by Mrs. Helene H. Oord. She was born and raised in Suriname (South America). When she was a teen, she moved with her family to Netherlands where she now resides, schooled and worked for the Government as an office secretary assistance.

Mrs. Helene went to the UN and New York where her NGO, Worldview Mission, was founded during her 7 years stay. As a public relation, she has a wide network and global networkings with youths.
